

Dear Dry Dock/Covered Dry Dock Tenant,

The staff here at Rollingview Marina would like to welcome you to the Very Important Boater (VIB) Program for 2023. For those of you who are thinking of returning, we would like to let you know some of the perks of our VIB Program:

1. Our VIB Program, when coupled with the dry dock fee, costs less than the average wet slip.
2. VIBs have the convenience of a wet slip without the worries of a wet slip (dirty boat bottom, dead battery from bilge pump, etc.).
3. VIBs can have a stress-free trip on the lake without the hassle of having to put your boat in the water and pull it out of the when you are finished for the day.
4. Most importantly, VIBs can pull up to the dock, load their cooler, towels, and other items into their boat, and go. Remember, we are only offering weekend splash and haul outs to our VIB members.

Below we have listed the requirements for the 2023 VIB Program. Please read the following carefully.

- A charge of \$3000.00 in addition to wet slip, dry dock, or covered dry dock fee (**this must be paid up front & in full**).
- VIB Program runs from **May 1st thru September 30th**.
- Includes **4 haul in/haul outs per month**. Should you go over the allotted amount, **you will be charged \$50.00 total for each haul in/haul out**.
- We require **24 hours** advance notice in order to put your boat in the water. IF you do not give us 24 hours, you will be charged **\$50.00**. On holidays, we require **48 hours** advance notice (Memorial Day, 4th of July, Labor Day).
- Prices include us covering and uncovering your boat. We do take special requests, such as filling your gas tank (pre-pay only), upon request.
- Boats **must** be back by **5:00** pm to allow our staff ample time to pull your boat out of the water and place it back in dry storage. When you return, you will need to bring your keys into the store and let us know your intentions (if you plan to stay in the water overnight or if you would like to be pulled out). *****You must** let us know when you have returned.

- Size limit for boats is 24 feet and under.
- This is an exclusive offer to email recipient only.

* We have a total of 25 spaces available for the 2023 VIB Program. Spaces will fill up fast and will be on a first come, first serve basis. If you have any questions, feel free to give us a call. Please call us at (919) 596-2194 as soon as you make a decision. We will require payment up front and in full.

** If you decide not to join the 2023 VIB Program, please keep in mind that dry dock is **self-serve**. We cannot splash your boat on the weekend because this service is only available to the VIB members. We thank you for continuing to be a part of the Rollingview family and we look forward to seeing you when the weather gets warm.

Sincerely,

Rollingview Marina Staff
